

Alight Well: COVID-19 Rapid Response

As the COVID-19 pandemic continues to cause workplace and personal disruption, your workforce needs holistic wellbeing support now more than ever. **Alight Well: COVID-19 Rapid Response** will engage your people in staying well during this critical time by helping them stay connected, healthy and informed.

Stay connected

Team challenges will help keep your workforce connected and physically active, even while social distancing

Stay healthy

Targeted wellbeing journeys will empower your people to better manage their stress, nutrition, physical activity or finances

Stay informed

COVID-19-related content and updates will provide your people with tips and resources to help them navigate uncertainty

Alight Well: COVID-19 Rapid Response is automatically embedded for existing Alight Well clients and is also available as a short-term, standalone solution.

- 30 days to implement (60+ when linked to the Alight ecosystem)
- No implementation fees
