

Alight and our partners are here to support companies through the challenges of COVID-19

Kashable and **PTO Exchange** can help your people through the moments that matter.

kashable

Provides easy-to-access, low-cost loans to help cover expenses, pay off debt and preserve retirement savings.

- Repayment is manageable and is automatically paid through payroll deductions
- Alternative to costly 401(k) loans that can be detrimental to long term savings
- Implementation in as little as 2–7 weeks
- Kashable is available at no cost to the employer

PTO Exchange™

Allows employees to exchange unused PTO days for goods, services, donations, etc. at any time.

- Easy way to share unused PTO amongst workers during times of disaster
- Accrued PTO can also be converted into cash to help cover unexpected expenses
- Implementation in as little as 2–4 weeks
